# Medieval Flat Earth Map with Cosmic Elements

*May 28, 2025 at 9:44 PM*

---

## You

Create a picture using these criteria: “Flat Earth disc, North Pole center, Antarctica ice wall, crystal dome with embedded stars, glowing Sun/Moon circuits, medieval map style, divine light from Polaris.”

---

## You

again . . .

---

## You

OK, leave off all the extra stuff beyond the ice wall and now include the dome (firmament) with the stars, sun moon, etc., in it.

---
