**The Act of 1871: The "United States" Is a Corporation – There are Two Constitutions**

(POPEYE) Since the Act of 1871 which established the District of Columbia, we have been living under the UNITED STATES CORPORATION which is owned by certain international bankers and aristocracy ...

<https://www.federaljack.com/slavery-by-consent-the-united-states-corporation/>

With no constitutional authority to do so, Congress created a separate form of government for the District of Columbia, a ten-mile square parcel of land (see, Acts of the Forty-first Congress," Section 34, Session III, chapters 61 and 62).

The act — passed when the country was weakened and financially depleted in the aftermath of the Civil War — was a strategic move by foreign interests (international bankers) who were intent upon gaining a stranglehold on the coffers and neck of America.

said bankers. Because the bankers were not about to lend money to a floundering nation without serious stipulations, they devised a way to get their foot in the door of the United States.

The Act of 1871 formed a corporation called THE UNITED STATES. The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into a dustbin. With the Act of 1871, the organic Constitution was defaced — in effect vandalized and sabotage — when the title was capitalized and the word “for” was changed to “of” in the title.

THE CONSTITUTION OF THE UNITED STATES OF AMERICA is the constitution of the incorporated UNITED STATES OF AMERICA.

It operates in an economic capacity and has been used to fool the People into unknowingly becoming indentured and indebted to the new corporation, THE UNITED STATES, and that it governs the Republic. It does not!

Capitalization is NOT insignificant when one is referring to a legal document. This seemingly “minor” alteration has had a major impact on every subsequent generation of Americans.

The TL; DR version is they, by military force, and illegitimate legislature, amended the constitution against the will of The People and legally tricked us into becoming unwitting indentured slaves of human capital and resources to THE UNITED STATES OF AMERICA (the corporation)

## 2. Republic vs Democracy

-They needed to get away from the Republic and create a Democracy in order to drive us towards socialism and inevitably a dictatorship (National Socialist Party aka NAZI)

Republic	DEMOCRACY
<p>"Libera Res Publica" Free from Things Public</p> <p>"I <b>pledge allegiance</b> to The United States of America, and <b>to the Republic</b> for which it stands, One nation under God"</p>	<p>Emphasizes "<u>Democracy</u>" which is the next thing to "<b>Socialism</b>" which is another form of "<b>Communism</b>".</p> <p>Did you say Communism? Can't happen here? Check this out!</p> <div>Communist Manifesto</div>

## "Democracy" (means "Priest rule")

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves generous gifts from the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury with the result that a democracy always collapses over loose fiscal policy, always followed by a dictatorship. The average age of the world's greatest civilizations from the beginning of history, has been about 200 years. During those 200

following sequence: from bondage to spiritual faith;  
from spiritual faith to great courage; from courage to  
liberty; from liberty to abundance; from abundance to  
selfishness; from selfishness to complacency; from  
complacency to apathy; from apathy to dependency;  
from dependency back again to bondage."

--Attributed to Scottish History Professor at University of Edinburgh  
Sir Alexander Fraser Tytler (1747-1813) and others

"...often the most tyrannical government  
on earth."

--Noah Webster

Those in power behind the scenes dress up their candidates for office, help them get elected, and then control them while in office. Supposedly giving you a choice when both major Political parties and other parties are controlled by them. Their controlled major media is used to control and direct public opinion. So, you wonder who is really in control--It's definitely not the people.

"Democracy is the road to socialism." --Karl Marx

Plato postulated "**Dictatorship** naturally arises out of democracy..."

### 3. Flag

-USA Military Flag

-USA Civil Flag

-THE USA Corporation Flag (Gold Fringe)

- Some say it is a flag of Admiralty/Maritime type jurisdiction and is not supposed to be used on Land. Others say it's not a flag at all, but fiction.

[Tweet](#)[Share](#)

However, the gold fringe which surrounds the flag gives notice that the American flag has been captured and is now being used by the corporate so-called government to give notice of its jurisdiction.

- The flag shown above is Not described in Title 4 of USC and therefore is illegal on land except for maybe (1) the President since he is in charge of Naval Forces on high seas, and (2) naval offices and yards.

-The so-called justification for a Naval/Maritime flag to be on land is that all land was under the high water mark at one time even if it was eons ago. (Great Flood anyone???)

#### 4. Governing Body

-We thought our 3 branches of government were for checks and balances... WRONG.

In the Corporate Law check out how it really works:

## GOVERNING BODY

### The President (a Caesar)

Tweet

Share

(Unconstitutional)

Congress and the Courts  
are under the President.

Did you ever wonder why Congress is ignored by  
the President?

The President is the Chief Executive Officer  
(C.E.O.) of the government corporation.  
Impeachment today is nearly impossible, unless  
it is in the best interest of the controlling bankers  
and the one-world government elite.  
Also, what most people do not realize is that  
most courts today are legislative courts  
and not Judicial.

The so-called (corporate) Congress  
sits by **resolution**  
not by positive law.

Therefore, the position of power is as follows:

## Caesar

--does not need congressional approval)

2. Legislature (The new Congress and Senate voices Public Opinion)
3. so-called Judicial (Legislative, Article I courts) opinionate what's best for the corporate so-called government and the elite
4. Non-existent Judicial (Article III courts) except for Special circumstances that benefit the elite

The top position has control over the second position and the second position has control over the last position vertically and not laterally.

---

- There are no checks and balances and the President can rule with supreme power through executive order
- Each puppet that comes into office wears a different costume but ends up serving the same master. (The Masters are the Elite and Bankers operating behind the scenes)

### 5. Medium of Exchange

- Used to be Gold and Silver
- now we play with paper and digital money, that is basically a grandiose IOU created out of thin air, that the bankers collect back with interest, all designed to further the wealth disparity between the elite and The People.

Medium of Exchange	MEDIUM OF EXCHANGE
 <p><b>Lawful Money</b></p>	 <p><b>Legal Tender</b> Units of Monetized Debt</p>
Has <b>substance</b>	Has <u>no</u> substance--Built on <u>credit</u>
Controlled by <u>Treasury of the united States of America</u>	Controlled by <u>US Treasury</u>
 <p><b>Real Money</b></p> <p>Assets of value such as gold or silver or can be exchanged for same.</p> <p>Many of the older generations of the American people were taught to write the "S" with two lines through it. The two lines was a derivative of the "U" inside the "S" signifying "Units of Silver". The United States of America silver dollar is the accepted and approved uniform monetary unit (coin standard). The United States of America did not issue paper money until 85 years after its independence from Britain, and when it did, it was backed by silver or gold. Even at that, early Californians refused to accept and use paper currency, especially the people in San Francisco.</p>	 <p><b>Phony Money</b></p> <p>Not backed by assets but thrives on faith alone.</p> <p>Today, all computer programs, stock certificates, financial paper, accounting records, balance sheets and summaries, bills, bonds, Promissory notes, bank paper such as checks, et cetera use the familiar symbol <b>\$</b> having only one line through it to denote the amount of debt considered.</p> <p>All Notes are "I Owe You's" (IOU's) including <b>Federal Reserve Notes</b> (FRN's) All Notes represent debt. The corporate UNITED STATES is in bankruptcy and has no assets but can only monetize debt.</p>

Debt with interest is a system of perpetual debt continually passed on to the people beneath until the debt gap consumes all but those who own the debt.

#### 6. Sovereigns vs SUBJECTS

- Look at the name on Driver's Licenses, Social Security cards, Credit Cards, Deeds, Bank Accounts, etc.

>>name in ALL CAPS, isn't it?

Sovereigns	SUBJECTS
<p><b>Living Souls</b> coming out of mother's womb onto the land of one of the several states of America are "Sovereign", "Freemen", "Free inhabitant", and "Freeborn" unless that right is given up knowingly, intentionally, and voluntarily upon full disclosure.</p> <p><b>Amendment X</b></p> <p>"The powers <u>not</u> delegated to the United States by the Constitution, ...are reserved to ...the people."</p>	<p><b>US citizens</b> (Chattel Property) are belligerents in the field and are  <i>"subject to its jurisdiction"</i>  (Washington DC)</p> <p>U.S. citizens are <b>14th Amendment citizens</b> implemented by the Civil Rights Act of 1866 originally established for the newly freed slaves.  <i>That is to say: "Now slaves of the corporate government plantation"</i></p>

unknowingly inform on their own babies. Take a look at the so-called "Birth Certificate" CERTIFICATE OF LIVE BIRTH where the mother signs and you will see the title of the box stating in small print:

**"MOTHER OR OTHER INFORMANT".**

The word "OTHER" makes the mother "**an informant.**" By signing the "Birth Certificate" as an informer, she contracts with the government putting her child and her child's future labor as collateral for the national debt (servitude--slavery). The father or mother can rescind the contract within three business days (Truth-in-Lending).

Since the Birth Certificate neither lists the father as the husband nor lists the wife's acceptance of the father's surname as her own but has the mother's maiden name instead, the baby is considered a **BASTARD**. Bastards are therefore under the care and control of the Priest Rule (democracy) and can be taken from the mother at any time.

benefit (\$3,000, more or less, per child) from the corporate government for having Birth Certificates filled out and signed.

#### 7. Elector vs VOTER

- "Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.

Elector	VOTER
<p>The "<b>Electoral college of electors</b>" are the ones that actually determine who will be President - not any popular vote, poll, media, or statistic.</p> <p>An <b>Elector</b> is <u>Not</u> subject to exclusive legislative power of Congress.</p> <p>Almost anyone can become an elector. Did not have to be a registered voter or a party member.</p> <p>Currently, there are <b>538 elector positions</b>. It now takes 270 Electoral Votes to win the Presidential Election.</p>	<p>"<b>Registering to vote</b>" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.</p> <p>"...<b>the right to vote</b> at any election... <b>is denied... except for participation in rebellion, or other crime...</b>" --Section 2 of the 14th Amendment, U.S. Constitution</p> <p>Rather than remaining a state national, one becomes a U.S. citizen participating in the rebellion by voting in the corporate government system and or signing up for benefits and privileges.</p> <p>"Stop and think for a moment as to voting. When you vote for an office to be filled in the UNITED STATES OF AMERICA or one of its SUB-CORPORATIONS (THE STATE OF TEXAS), you have voted to fill a fictional corporate position designed to represent the CORPORATION, not a political position to represent the people. All elections in the "United States" are nothing more than proxy fights in a board room!" --Ed: Brannum (Secretary of Privatization; Provisional Government; Republic of Texas)</p>

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

Essentially, since you are voting in (their) elections then you are admitting, through registration and voting, that you do in fact belong to their system.

#### 8. Justice System vs "JUST-US" SYSTEM

-it really is set up to benefit (them) and not us. He who has control of the money has control over the laws of the land and thus the control of its people--- and in our case all US CITIZENS (corporate assets/property)

Justice System	"JUST-US" SYSTEM
<p><b>Free inhabitants</b> are under God's commandments, one's conscience, and the English Common Law (Jury)</p> <p><b>Citizens</b> within the Northwest territory are under the written legislated laws created by Congress which is adjudicated via the Judicial Branch of government established by <b>"Article III"</b> of the Constitution</p>	<p>So-called Judicial system and Legislature are under the President</p> <p>Most courts today are <b>Article I</b> or <b>Article II</b> courts.</p>
<p>Separate from Executive and Legislative branches of government</p> <p><b>"serving the People"</b> under Constitutional mandates.</p>	<p>The so-called Judicial is <u>not</u> separate although it may appear that way.</p> <p>Most so-called courts today are listed in Dun &amp; Bradstreet as <b>a private company or corporation</b>, operating as a business for profit.</p>

## Judges

(No black robes)

The judicial officer is actually a coordinator who sits in on behalf of the people, for the good of the people, who swears by full oath of office to abide by and uphold the Constitution, and is there to give presenters and counselors equal opportunity to present their case, with fairness and un bias to all, whether it is pertaining to a controversy or one suspected of a crime or injustice, to produce and provide an impartial and fair trial or suite in Law by bringing forth the facts and the law to be **judged by the people who are peers.**

The people are the ultimate "judges" of both the law and the facts.

...the judge, on a raised stage, sitting under a gold or yellow fringe flag, becomes the "captain" or "master" of that ship or enclave and has **absolute power** to make the rules at his whim as he goes; all the while talking to or about the fictitious PERSON.

The so-called judge will sometimes not allow all of the facts to be heard or the so-called law examined because of his bias or is following orders of the corporate so-called government who may even want to have the **case sealed** from the public.

If one does not conform to the judge's wishes, the judge, without proper cause, will send the non-conformist to a **psychiatric ward** for evaluation (intimidation) and sometimes left there to be **drugged** and not released until one is willing to conform to the judge's bias.

This has happened many times in the latter years and has been personally witnessed by Myself concerning friends.

"...the judiciary has usurped the law for its own purposes and replaced constitutional guarantees with a system in which judges rule by decree."--  
[www.tulanelink.com](http://www.tulanelink.com)

## Common Law Court

is a "**Court of Record**" that proceeds according to Common Law, keeps a record of the proceedings, has power to fine or imprison, and the tribunal is independent of the magistrate.  
(May also have a seal)

These so-called courts are not "in law" but are simply acting on behalf of a corporate business enforcing it's contracts under the disguise of Equity Courts, Superior courts, Federal courts, District courts, Municipal Courts--Merchant Law, Military Law, Marshall Law, Summary Court Martial proceedings, and administrative **ad hock** tribunals (similar to Admiralty/Maritime) and appear to be governed by "The Manual of Courts Martial" (under Acts of War) and the "War Powers Act of 1933."

## Lawful or Unlawful

## Legal or Illegal

All legal actions are pursued under the "**color of law**"

Color of law means  
"appears to be" law, but is **not**

<b>Must have damaged party</b>	<u>Compels</u> performance No damaged party is necessary.
Maintains rights, freedoms, and liberties of the people	<b>No rights</b> <u>except</u> Civil Rights. and privileges that can be taken away at any time. Restricts freedoms and liberties.
Unalienable rights, fundamental rights, substantial rights and other rights of living souls are all protected by The Law and protected by The "organic" Constitution and its amendments.	US citizens are at the mercy of government and the administrative courts and tribunals  Servants (subjects/ bond-servants) cannot sue the Master (Corporate government) unless allowed to.
The first <u>ten</u> articles of <b>amendment to the constitution</b> are sometimes refereed to as " <b>Bill of Rights</b> " which is incorrect. They are not a "Bill" but are simply " <b>amendments.</b> "	The actual " <b>Bill of Rights</b> " was a declaration in 1689 by King William and Queen Mary to their loyal subjects of the British crown. <i>If you are in this jurisdiction, you are a subject of the crown as well?</i>
<b>Due Process</b> is required	Due Process is <u>optional</u> --Sometimes Gestapo-like tactics without reservation.
<b>Innocent</b> <u>until</u> proven guilty  "No <b>Bill Of Attainder</b> or <b>Ex-post Facto Law</b> , shall be passed." --Constitution, in Article 1, Section 9, Paragraph 3	<b>"Guilty"</b> <u>until</u> proven " <b>not guilty</b> " (Especially, when faced with issues relating to the corporate government, its agents, and or its highwaymen.) The so-called judge will ask if one is "guilty" or "not guilty." <b>Always claim to be "innocent."</b> A " <b>plea</b> " enters one into a binding contract with the so-called court.

#### 9. Prisons for Incarceration vs prisons for profit

- More and more prisons today are privately owned and run as a profit-making commercial enterprise creating products and services for sale. It is believed that many judges hold stock or an interest in these privatized prisons.

Tweet

Share

These commercially run prisons do not have the best interest of the Inmates or Staff in mind but the bottom line-- PROFIT. They need a continuous supply of low-cost labor (slaves) to produce products in order to increase profits.

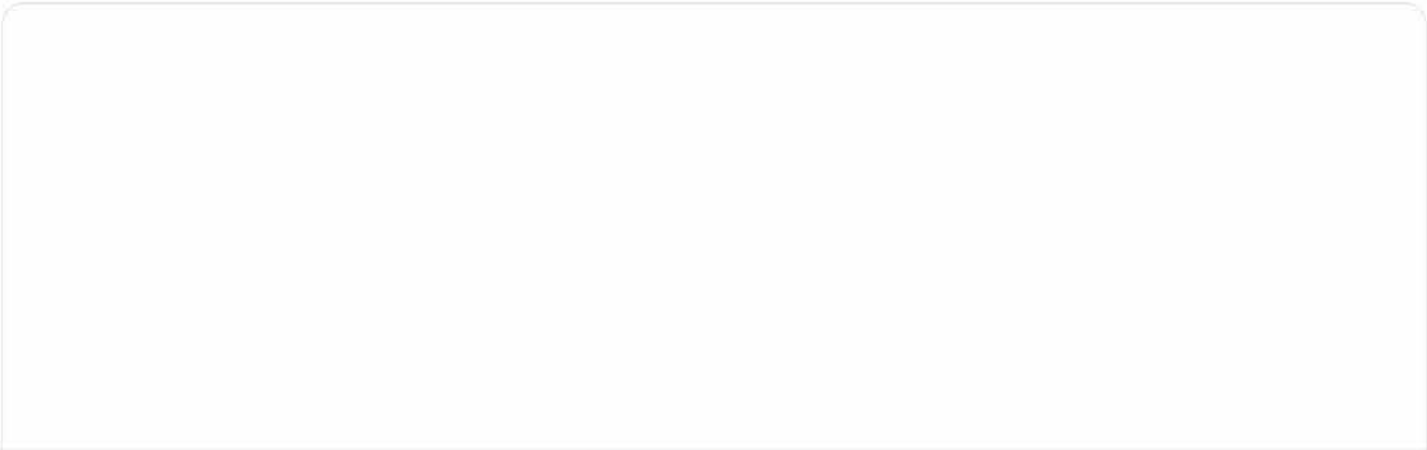

Even when the crime rate is down, these privateers lobby the appropriate governmental and judicial authorities to increase the incarceration rate in order to add to their already substantial profit taking. There are no checks and balances for monitoring this type of system.

#### 10. Guarantees vs "quarantines"

-your rights, your land, your things, your money, they belong to the corporation and they will take them and do whatever they want with them through the legal processes they illegally set up through the Constitution of the Corporation.

You can fight but you **WILL** lose. It is designed that way.

Tweet

#### 11. States vs STATES

- All state governments today are corporations, not sovereign states.
- Only corporations are required to pay sales tax as entities of the corporate government.
- They got the CITIZENS to volunteer to pay up front sales tax on their behalf. Thanks Democrats!

Tweet

Share

#### 12. debt vs DEBT

- When a government goes bankrupt it loses its sovereignty (important to remember later)
- First bankruptcy was after the Civil War- enter Act of 1871
- Second Bankruptcy was in 1933- Roosevelt
- Members of Congress are the official Trustees in the bankruptcy

### 13. Taxation

- Taxation is theft
- Income Tax is unlawful
- Inheritance Tax is unlawful
- BUT all are legal and limitless under the Laws of the Corporation

#### 14. Unalienable Rights vs Inalienable Rights

-By changing one word in the State's constitutions we went from God given rights to Government given privileges.

Tweet

Share

- “Government Privileges/Benefits”:
- Social Security
- Medicare
- Medicaid
- Grants
- Disaster relief
- Food Stamps
- Licenses and Registration
- Privileges only, no Rights
- Experimentation on citizens without their consent

[Tweet](#)[Share](#)

-birth certificate

-death certificate

-marriage license

-demographic records

>>all held as records by the County Clerk Office to keep track of the corporate government's holdings which are applied as collateral to the increasing debt.

#### 16. Free Enterprise vs Corporatism (USMCA)

-The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure.

Tweet

Share

The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.

-Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.

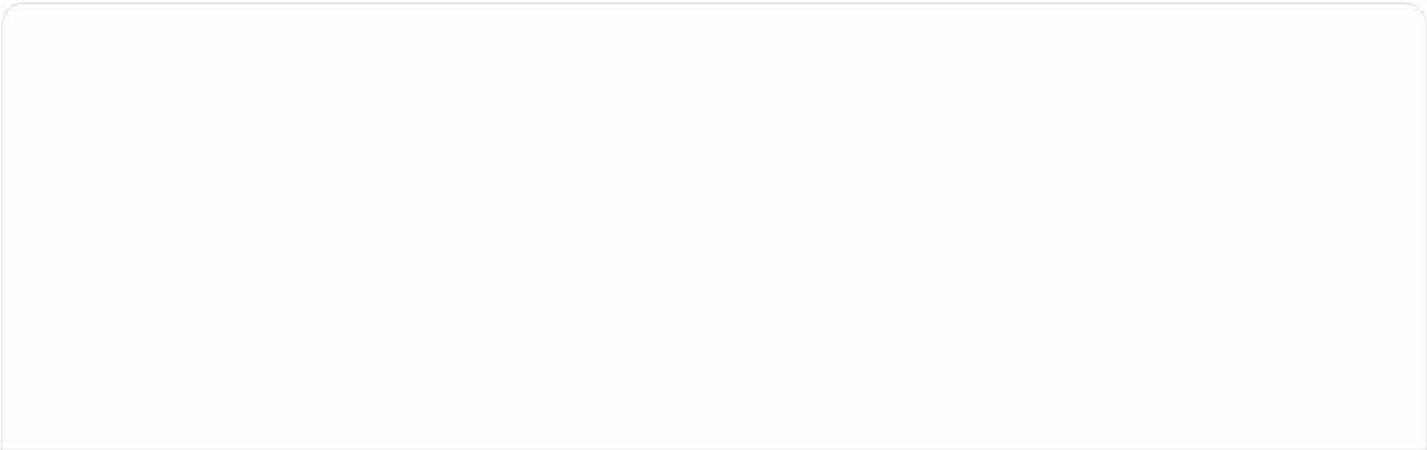

#### 17. Schools vs Human Resource Development

-Public Schools are actually government schools paid for by forced taxation whether they want it or not.

-Teaches or indoctrinates?

Private schools allow for CHOICE in subject matter and education.

#### 19. Militia vs Military

-(they) used our People, who were citizens, and their desire to protect America as justification to form and use the US Military as a tool to destroy other dissenting sovereign nations/cultures

## 20. Faith and Worship vs RELIGION

-Peep this, tax exemption is their permission from the government to exist

Tweet

Share

They subsequently went on to do the same to almost every sovereign nation in the world

>>implement war

>>bankrupt whatever nation they want

>>implement corporatization of their government to ensure payback of debt

>>add interest

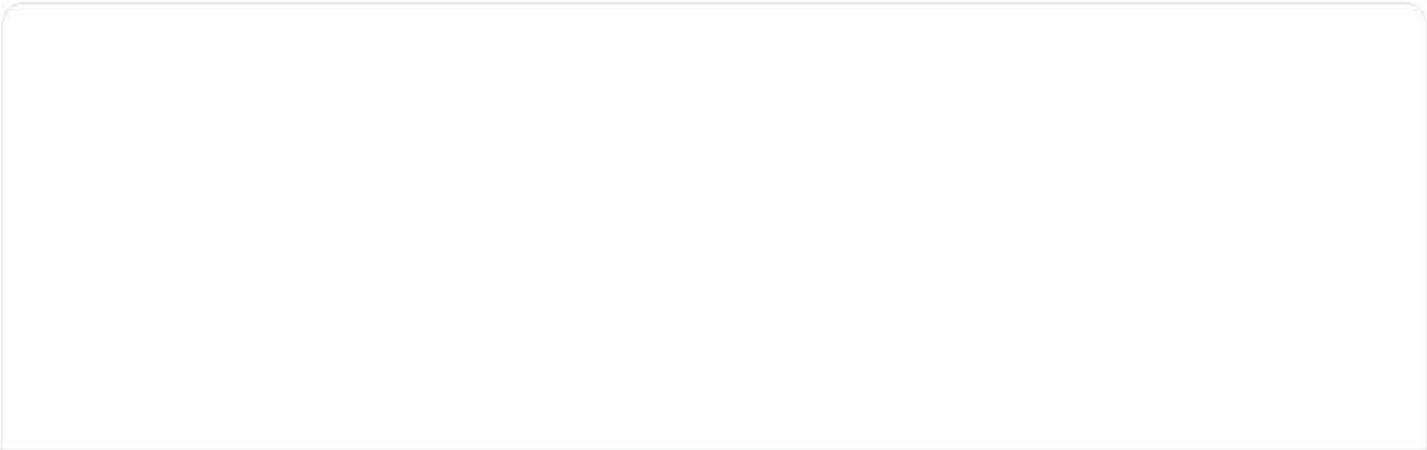

>>perpetually in debt and enslave its citizens

And they use the Organic Acts to take control of unorganized land and decide how it's governed

**THEY HAVE EVERYTHING UNDER ORGANIC ACTS!!!**

The last century has produced an American economy where more jobs than ever before require at least some postsecondary education or skill development.

Wage premiums and job security continue to be associated with postsecondary education or skills attainment; however, the rising cost of college education and the accompanying growth in student loan balances erode the wage premium associated with a college degree.

#### President Wants to Use Executive Order to End Birthright Citizenship

President Trump wrongly said that the United States was the “only country in the world” where a baby born there automatically has citizenship. In fact, dozens of countries grant it.

<https://www.nytimes.com/2018/10/30/us/politics/trump-birthright-citizenship.html#click=https://t.co/aeluRucyll>

Through the system of birthright citizenship many people become citizens by just coming across the border and having a baby in the US. Fun little loophole. Voting Numbers, Representatives, and Demographics change when this happens.

Well national parks and monuments are land that is owned by the federal government. In this case, the corporation of the United States. Obama designated whatever he wanted as national monuments and Trump said it was a wild abuse of power.

Why. Bc if the federal government is operated out of DC and its assets now include America’s land then they can sell those lands to other countries. Corporate law.

Obama then gave eminent domain to China [rense.com/general85/chin...](https://www.rense.com/general85/china.htm)

This is a big problem as you can see now. China has now completely infiltrated America’s schools, businesses, manufacturing, land, and real estate.

Part of that executive order of trump wanting a review of the national monument designation and everyone thought trump was trying to get rid of national parks, he was really saving them from being sold off through the corporation.

Even better, Donald Trump is using what is known as the ESF, or Exchange Stabilization Fund to fund our Economic Recovery. On paper it is controlled by the US Treasury but operated by the Federal Reserve as a means of stabilizing the value of the dollar.

Since there isn't any gold to back it up, they can either inject or withdraw dollar amounts from this fund in order to maintain a certain value of that dollar. They also then adjust interest rates as well. This ESF, pulls money from the IRS (your tax dollars) to fund itself.

Officially in charge of defending the dollar, the ESF is the government agency which controls the New York Fed, runs the CIA's black budget, and is the architect of the world's monetary system (IMF, World Bank, etc).
